All Qualifiers must be present and check-in at the Station booth at the Grand Prize Event by 1:00pm ET. If any Qualifiers are not present by 1:00pm ET, they will be disqualified at the sole discretion of the Station, and the Station reserves the right but not the obligation to select additional Qualifiers from all eligible on-site entries received in order to reach ninety-six (96) total Qualifiers. No proxies will be permitted.

Upon checking in, each Qualifier in attendance will be requested to draw a number out of a container at random. The number will determine the order in which each Qualifier will go to the designated key bin and randomly select one (1) of the ninety-six (96) keys. After selecting one (1) key, the Qualifier must go up to the designated Contest vehicle, put the key in the pad-lock and attempt to open the box which contains the key to the motorcycle's ignition. If the key does not open the pad-lock, that Qualifier will be disqualified, and the Station will call the next Qualifier in the order of numbers they selected at the time of check-in. The next Qualifier must go up to the designated Contest vehicle, put the key in pad-lock and attempt to unlock it using the key they select. This will continue until a Qualifier's key successfully turns the pad-lock. If at any point a Qualifier's key successfully opens the pad-lock, the Contest will immediately be deemed over, no additional Qualifiers will be asked to select a key, and Qualifier whose key successfully opened the pad-lock will be deemed the Grand Prize winner, upon confirmation of eligibility.

In the case a Qualifier selected the correct key but was not able to successfully open the pad-lock, regardless of the reason, that Qualifier will not be deemed the Grand Prize winner.

The designated Contest vehicle used as part of the Grand Prize Event is not guaranteed to be the vehicle awarded as part of the Grand Prize. The Grand Prize motorcycle is to be solely in the discretion of Stu's Motorcycles.
